

General Resolutions
of the Examination Board of the
Faculty of Business Administration and Engineering Management

2025

- Published on 28 January 2025 -

Resolution dated 22 January 2025

The Examination Board of the Faculty of Business Administration and Engineering Management unanimously resolves that valid reasons for examination withdrawal will not be accepted if supported by medical certificates issued by individuals who are not registered with a recognised medical association and for whom official warnings have been issued by the relevant association.

Resolution dated 22 January 2025

The Examination Board of the Faculty of Business Administration and Engineering Management unanimously resolves that the first examiner of final theses submitted by students of the Faculty of Business Administration and Engineering Management shall be a professor or substitute professor.
